Subject: NOTIFICATION OF COMPLIANCE WITH THE 2006 STATE AGENCY WASTE MANAGEMENT ANNUAL REPORT (PRC SECTION 42926)

Dear Michelle Dyck-Turner

The California Integrated Waste Management Board (CIWMB) has completed its review of your agency's 2006 State Agency Waste Management Annual Report (AR). CIWMB staff have determined that the information you submitted complies with the requirements of Public Resources Code Section (PRC) 42926(b) 1-4. Your agency's AR outlined your agency's achievement of the 50 percent diversion goal in 2006.

The CIWMB wants to acknowledge you and your agency for working very hard to guarantee attainment of this mandated goal each year. It is a Legislative requirement (PRC 42925 (b)) that **your agency is recognized for being an environmental asset to not only the communities in which it has offices located but to the State of California, overall.**

We appreciate your efforts in reducing the amount of waste being generated within the State and your continued efforts in implementing waste diversion programs and encourage you to share this note of acknowledgement not only with your supervisor but with all staff within your agency.

Should you have any questions regarding this program, please feel free to contact Kathy Marsh at (916) 341-6202
