

Effective and Innovative Practices Award

Facilities Services received the Effective and Innovative Practices Award from APPA for the Comprehensive Energy Services Master Enabling Agreement that LeRoy Wilke worked on and now is implementing with our Energy projects on campus. This award recognizes programs and processes that enhance service delivery, lower costs, increase productivity, improve customer service, generate revenue, or otherwise benefit the educational institution. This energy project will cost just over \$12,000,000 and will save the campus \$1,000,000 annually in utility costs.
